

The diagram shows an exploded view of a gas hob assembly. The main components are the stainless steel panel (30), the burner assembly (31-34), the knob assembly (21-27), the electric connector box (42), and the gas valve assembly (1-4). The diagram includes callouts for various parts, including burners, knobs, valves, and electrical components. The callouts are numbered 1 through 48, corresponding to the parts list on the right.
