This exploded view diagram illustrates the assembly of a gas cooktop. The main components shown are the cooktop body (36), the burner assembly (37), and the control panel (38). The diagram includes numerous numbered parts (1-48) and labels for specific components like GHFF70SS2 and 36, 37, 38. The assembly process involves installing the burner assembly onto the cooktop body, followed by the control panel, and finally securing the cooktop to the countertop using the provided mounting hardware. The diagram also shows the gas valve assembly (1-4) and the gas line connection (48).
